NOTICE.

Training in Sericulture.

1. Applications are invited from natives of Mysore by birth or domicile who have passed the B. A. degree examination in Zoology and Botany or Physical Science, for being trained in sericulture.

2. The age limit will be 30 in the case of persons who are already in the Mysore service and 25 in the case of others.

3. The selected candidate will be trained in the growth of mulberry and sericulture for a period of one year in the State.

4. During the period of the above training, the candidate will be awarded monthly a stipend of Rs. 75 to Rs. 100 according to qualifications and he will, on satisfactory completion of the period of training, be employed suitably or awarded a foreign scholarship and deputed for further training abroad.

5. The candidates may be subjected to a practical examination, and the selection will be made by a Board consisting of the Inspector-General of Education, the Director of Agriculture and the Secretary, Economic Conference.

6. The scholarship is liable to be forfeited at any time if the candidate does not show satisfactory progress.

7. Applications should be sent in the accompanying form and should reach the undersigned on or before the 15th of May 1916.

By Order,
P. G. D'SOUZA,
Secretary to Government,
Education and Agriculture.
